## First Eustis is a *Place for Kids!*

Our **Preschool** and **Children's Small Groups** at 11:00 a.m. on **Sundays** provide children with Biblical instruction about God and His love for them. It's a blend of having fun and learning because we know God is not boring!

Do you have a wiggler? **Worship KidStyle** is "worship with wiggles" just for **1<sup>st</sup> graders** on **Sundays** at 9:30 a.m.

On the **last Sunday** of each month, **1<sup>st</sup> - 5<sup>th</sup> graders** come together for **Extreme Worship** -- a high-tech service filled with games, music and a special message. Kids get to experience worship geared toward their age.

**Wednesday nights** from 6:15-8:00 p.m. is a big night for K - 5<sup>th</sup> graders in **G-Force Kids Club**. In G-Force, kids experience **God with Full Blast Excitement** through recreation, music, drama, and more!

Our **Upward Sports Program** for boys and girls focuses on developing the **WINNER in EVERY child**, not just a few. Kids in K-6<sup>th</sup> grade can participate in winter basketball, cheerleading, spring soccer, and flag football in the fall. Contact our Recreation Department for seasonal programs currently being offered.

## A Place for Today's Youth

**RPM Students** at First Eustis is more than just a student ministry--our goal is to **impact** and **bles** both **students** and **parents** in every aspect of this thing we call life.

On **Wednesday nights** join us for **Neutral** from 6:15-7:00 p.m. -- a time to decompress from the stress of school, play games, and hang out with friends. Then stay from 7:00-8:00 p.m. for **Accelerate!** -- a time for serious worship and a challenging message.

**Sundays** at 11:00 a.m. students can develop a deep, personal intimacy with Jesus in our **Small Group Bible Studies**.

Disciple Now, youth retreats, mission trips, summer activities, 5<sup>th</sup> Quarters, these are just some of the activities scheduled throughout the year--**join us!** Visit our RPM website for info at [www.rpmstudents.com](http://www.rpmstudents.com).
